The much-awaited school event of the year 'SPOORTI', is back again on the virtual platform. Every year, our students look forward to the inter house sports competitions with full enthusiasm. They plan, strategize, work in teams and have a lot of fun. This year, it is going to be a Virtual Sports Week - for students of Std. VI to Std. X. The students will participate from within the confines of their homes and keep the competitive spirit alive. Each class will have sports related fitness activities and creative illustrations

Please note the following

- Boys and Girls will be divided into separate group for the sports related fitness activities.
- There will be no grouping for sports related creative illustration activities.
- E- Certificates will be awarded to all the winners.
- Electronic Gadgets (Mobile/Laptop and Tablets) should be fully charged; network issues if any, need to be resolved prior to activity participation by the students, as the school will not be in a position to consider subsequent re-participation
