"Keep walking through the storm. Your rainbow is waiting on the other side."

Dear Parents,

Greetings to everyone

We extend our gratitude to you all for making this year a successful one despite all odds.

Kindly note, the summer vacation for students begin from Saturday 1st May, 2021. The school will reopen on Monday 7th June 2021.

The students should utilize this time constructively by engaging themselves in learning new skills. They could join online classes for art and craft, learn to play a musical instrument, storytelling sessions etc. Reading would be a good idea to enhance their vocabulary and help them to become creative.

Wishing everyone a happy and safe vacation.

STAY HOME, STAY SAFE!
