Enlighten Your Hearts, And Strengthen the Human Bonds In Your
Homes And Communities**

Dear Parents,

Term I has proved to be a period that was filled with activities, achievements and experiences to be cherished.

The cooperation shown by you is treasured and we look forward to the same enthusiasm in Term II, where we can work together to enhance your child's celebration of school life.

Please find below a few tips that could be followed during the vacations:

1. Spend quality time with your child by reading together hence visiting the school library would be a good option, which will remain open from **4th to 9th November, 2019**. The timings are from **9:00 am to 12:00 noon**.
2. Inculcating right values and manners at this tender age will help them win laurels. Stress on the importance of good habits, right exercise and healthy food habits that will see them through.
3. Encourage your child to pen down the experiences during the Diwali vacations in the language of their choice, for inclusion in the E News Letter.
4. We hope that you celebrate pollution and noise free Diwali and contribute your bit in reducing global warming. Instead the festive joy can be shared with under privileged children by visiting an orphanage and sensitising them towards the less fortunate in society, making them global citizens.
5. School reopens for Term II on **Wednesday, 13th November, 2019**. Attendance on the first day is mandatory.
6. The last working day for the current academic year 2019-2020 will be **Thursday, 5th March, 2020**.
7. Kindly note, to avoid the scorching heat of mid-April, we are starting the next academic year 2020-2021 from **Wednesday, 11th March, 2020**.
8. The summer vacation begins from **Monday, 13th April, 2020**.
